Sir:

**PETITION TO RESTART PERIOD  
FOR RESPONSE TO OFFICE ACTION**

Pursuant to the provisions of M.P.E.P. § 710.06, applicants request that the period for reply to the Office Action of October 19, 2001 be restarted in view of the delay in receiving the Office Action from the U.S. Postal Service.

RECEIVED  
The Office Action was presumably mailed by the United States Patent and Trademark Office on October 19, 2001, but it was not received by the undersigned firm until January 14, 2002. A copy of the first page of the office Action showing the date of receipt of the Office Action at the correspondence address stamped thereon is enclosed. All mail received at the undersigned's firm is date stamped by the mailroom before it is received by the attorney responsible for the case. Thus there is no reason to believe that the Office Action was not received on January 14, 2002.

Since a substantial portion of the set reply period had elapsed by the date of receipt of the Office Action (over two months) and this Petition is being filed within two weeks of the date of receipt, it is respectfully submitted that applicants are entitled to
